Duplex Fiber Adapter, SC / ST (Metal Body), Bronze Alignment Sleeve

L-com's duplex metal ST to SC hybrid adapters are designed for mounting in standard rectangular cut out style panels. This series features either bronze or ceramic alignment sleeves to meet your specific design requirements. Additionally, these adapters can be used with PC or UPC style fiber connectors. Contact us today for large project volume discounts.

Features for this Fiber Optic product

- Used to connect duplex ST to duplex SC fiber cables
- Metal body ensures durability and long life
- Dust caps protect against debris and contamination
- Bronze alignment sleeve supports Multimode applications
- Order online today!

Details for this Fiber Optic product

L-com Item #	FOA-006M
Manufacturer	L-com
ASIN # (More)	B000AAJ7M2
UPC # (More)	822335023161
RoHS Status	RoHS Compliant (More)
Alignment Sleeve	Bronze

Fiber Optic APC Simplex and Duplex Couplers

In order to achieve low back reflection values some fiber assemblies utilize a connector with an Angled Polish Contact (APC). These APC connectors require special couplers that have tight tolerance alignment slots to assure proper orientation of the mated APC connectors. The APC couplers are specifically designed for this application.

SC to SC Simplex / Duplex APC Fiber Optic Coupler

FOA-017	Simplex APC Coupler	Plastic	Ceramic	B
FOA-018	Duplex APC Coupler	Plastic	Ceramic	D

FC to FC Simplex APC Fiber Optic Coupler

Fiber Optic Simplex / Duplex Adapters

These fiber optic adapters are offered in both simplex and duplex configurations and in some cases with both plastic and metal bodies. Alignment sleeves of both bronze and ceramic are offered in most cases.

ST to SC Simplex Fiber Optic Adapter
