

# FEP16AT - FEP16JT

## Features

- Low forward voltage drop.
- High surge current capacity.
- High current capability.
- High reliability.

## Fast Rectifiers (Glass Passivated)

### Absolute Maximum Ratings\*

$T_A = 25^\circ\text{C}$  unless otherwise noted

| Symbol      | Parameter                                                                         | Value       |      |      |      |      |      |      |      | Units            |
|-------------|-----------------------------------------------------------------------------------|-------------|------|------|------|------|------|------|------|------------------|
|             |                                                                                   | 16AT        | 16BT | 16CT | 16DT | 16FT | 16GT | 16HT | 16JT |                  |
