

Genius Back Pack

G-B1500 Suitable for 12"~15.4"notebook

Simple style with organized features

If you lead a rugged life but want to be comfortable, then the G-B1500 backpack from Genius is the ideal travel bag for you. It is loaded with great features and designed in a casual, compact encasement. The Genius Backpack series is constructed of durable Nylon and includes multiple interior pockets to store additional accessories.

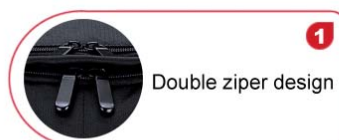

Plus, the G-B1500 provides ample space for files and documents, protects against liquid spills, straps to trolley handles and is built to withstand the wear and tear of everyday business travel. So just ask your salesperson for more information how you can pick this up for a comfortable journey.
