flashlights and watertight
protector cases

Small Flashlights

#1940, LED Peliknife Combo

This is one of the new Pelican's line of Organizer Cases. It includes the popular L1 LED flashlight with batteries, a lock back pocket knife, break-away neck lanyard and stainless steel split ring. The pocket knife has 1-7/8" (4.7 cm) hollow ground stainless steel blade, a lightweight composite handle and a key chain ring. The container is very stylish and attractive case that could be used for many applications and the contents are our hi-performance flashlight combined with interesting accessories. You break it, we replace it... forever.

#1930, L1 LED light

L1 LED Light provides a concentrated close quarter beam. The LED lamp is available in white, red or blue/green and provides up to 50,000 hours of usage. Four replaceable LR 44 alkaline coin cells (included) offer up to 130 hours of battery life. It is equipped with a neck lanyard and a handy push button on/off switch that can be used with only one hand. The L1 LED Light is ideal for all applications and is water resistant (not for diving applications). You break it, we replace it... forever.
