

Performance you can trust

Electra Clean Spray

High performance, rapid dry cleaner for electrical applications.

Non-toxic fast drying solvent leaving no residue to affect conductivity. Ideal for electrical equipment including contacts, motors and switches.

Features

- Cuts through dirt, grease and grime – fast
- Rapid drying – leaves no residue to affect conductivity
- Compatible with most commonly used plastics
- Suitable for food/clean environments
- Does not contain: mineral hydrocarbons, animal derived materials, nut oils or genetically modified ingredients.
- FDA Group 21 CFR 178.3570
- NSF K2 registered – 124471
- DIN V 10517

Directions for Use

- Ensure equipment is isolated from the mains before use
- Shake can well and spray from a distance of 15-30 cms
- Ensure adequate ventilation
- Assist cleaning action by wiping with a lint free cloth or swab
- Ensure complete evaporation before reconnecting to the mains
- Test compatibility with painted or coated surfaces prior to application.
