Text Search: 'FSTMPC6EI-C'

Your search criteria matched only one product, shown below

FSTMPC6EI-C

- TIA/EIA-604 FOCIS-2 compliant connectors
- Exceed TIA/EIA-568-B.3 requirements
- Insertion loss: 0.3dB average (multimode and singlemode)
- Return loss: >26dB (10Gig™ multimode), >20dB (multimode), >50dB (singlemode)
- Quick installation; provide field termination in less than half the time of field polish connectors
- Patented re-termination capability provides yield rates approaching 100%
- Factory pre-polished fiber endface eliminates time-consuming field polishing to reduce installation costs, labor, scrap and the number of tools required
- Cam activated fiber and buffer clamp mechanisms provide superior fiber and buffer retention – less sensitivity to fiber tensile loading
- No separate clamps, tools or steps are required to secure both the fiber and the buffer
- OptiCam® Termination Tool (OCTT) simplifies tooling and termination, and virtually eliminates operator error by providing visual indication of proper termination after the cam step has been completed

- Cable retention boot assemblies consistently provide higher than industry standard cable retention
- Fiber cable size: accept 900µm tight-buffered fiber with included boot(s); accept 1.6mm – 2.0mm and 3.0mm jacketed cable with available OptiCam® Cable Retention Boot Assemblies (ten per package)
- For 250µm coated fiber termination, use 250 micron fiber build-up tube kit or fan-out kits
- Ferrule type: 2.5mm zirconia ceramic (highest durability for repeated matings) or composite to meet a variety of application requirements
- Use OptiCam® Termination Kit (FCAMKIT)

• Part Number	FSTMPC6EI-C
• RoHS Compliance Status	RoHS directive is not applicable
• Note	Intended for use in fixed installations which are outside the scope of RoHS.
• Part Description	ST OptiCam® Composite Ferrule 62.5/125µm Multimode Simplex Fiber Optic Connector for 900µm tight-buffered fiber installation.
• Color	Electric Ivory
• Pricing Description	ST Opticam Composite Ferrule 62.5/125µm Multimode Simplex Fiber Optic Connector
• Min. Order UOM	PC
• Min. Order Qty.	100
• BOM Qty. (# of Pkgs.)	<input type="text" value="0"/>
