

Technical drawing of a rectangular frame. The drawing shows a top-down view of a rectangular frame with a double-line border. The height of the frame is dimensioned on the left as 70.1 ± 0.3. The frame is divided into four quadrants by a horizontal and a vertical dashed centerline. At each of the four corners, there is a small circular detail, possibly a screw head or a fastener, located at the intersection of the frame's border and the centerlines.
