

PRODUCT SPECIFICATION

Brand	Kasp
Product Range	Van Lock & Hasp
Catalogue number	500
Date	27/04/2007

Range Description

Van lock, Hasp and fixings

Features

The design of the 500 series van lock and hasp makes it almost impervious to common forms of attack, the shackle-less lock is enclosed within the walls of the hasp offering virtually no points of effective attack

Padlock:

- Chrome plated hardened steel body – extra strength and protection from corrosion
- Shrouded steel shackle – maximum protection against hacksaw and cropping attacks
- 6 Pin cylinder – extra protection against picking
- Corrosion resistant mechanism – reliable in potentially harsh environments

Hasp

- Zinc plated heavy duty steel construction – extra strength and protection against corrosion
- Supplied complete fixing bolts for security and convenience

The van lock is supplied boxed with an attention drawing promotional sleeve

2 keys are supplied with each Van lock
