

heavy|mate® - C146 Housings Housing, bulkhead mounting (Inc. gasket)

Part No. C146 10F003 000 4

Series Heavy duty connectors heavy|mate® - C 146

Subseries Heavy duty connector heavy|mate® - C146 Housings

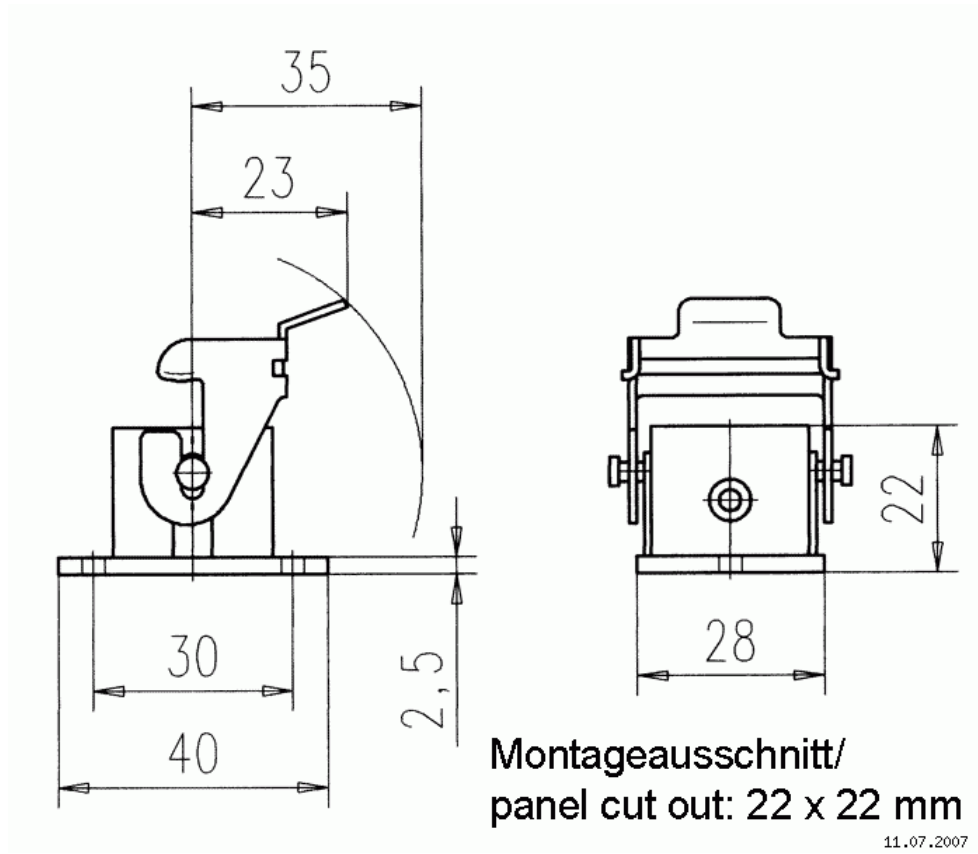

| COMMON CHARACTERISTICS         |                                                    |                           |
|--------------------------------|----------------------------------------------------|---------------------------|
| IP degree of protection        |                                                    | IP 65                     |
| Housing type                   |                                                    | Housing bulkhead mounting |
| Insert type                    |                                                    | Housing                   |
| Protective cover               |                                                    | PA                        |
| ELECTRICAL CHARACTERISTICS     |                                                    |                           |
| Contact resistance             | DIN EN 60512-2-1, Test 2a / IEC 60512-2-1, Test 2a | 0 mΩ                      |
| CLIMATICAL CHARACTERISTICS     |                                                    |                           |
| Temperature range              |                                                    | - 40 °C / + 100 °C        |
| Upper temperature              |                                                    | + 100 °C / 1000 h         |
| Lower temperatur               |                                                    | - 40 °C / 16 h            |
| MECHANICAL CHARACTERISTICS     |                                                    |                           |
| Mechanical lifetime (standard) |                                                    | IEC 60512-5; Test 9 a     |
| MATERIALS                      |                                                    |                           |
| Gasket                         |                                                    | NBR                       |
| Locking                        |                                                    | 1 locking lever           |
| Dielectric material            |                                                    | special surface           |

heavy|mate® - C146 Housings Housing, bulkhead mounting (Inc. gasket)

Part No. C146 10F003 000 4

Series Heavy duty connectors heavy|mate® - C 146

Subseries Heavy duty connector heavy|mate® - C146 Housings

Drawing Dimensions in mm (Inch)
