The Brother QL-570 Professional Label Printer is the perfect synergy of functionality and design.

Introducing the sleek, compact and stylish Brother QL-570 Professional Label Printer. Perfect for creating cost effective labels on demand for envelopes, packages, file folders, CD/DVD, name badges and more** ... Once you use the Brother QL-570 Label Printer you will discover many more uses for this versatile product. The Brother QL-570 Label Printer is for those wanting to create customised labels quickly and easily so they can look more professional and become more organised.

Perfect for general office use, personal use, real estate offices, doctors' offices, shipping departments, event coordinators, laboratories, museums, schools and libraries.

**USER-FRIENDLY
CONTROL PANEL**

Easy access control panel button with 3 colour LED status display

**PRINTS HIGH-RESOLUTION
TEXT AND GRAPHICS**

Resolution up to 300 x 600 dpi in superfine mode

COMPACT DESIGN

Small footprint and low profile. Requires minimal space

USB CONNECTION

Can be connected to computer via the included USB cable

BROTHER QL-570 PROFESSIONAL LABEL PRINTER KEY FEATURES:

Advanced user-driven features that make it easy to operate, maintain and store.

FAST PRINT SPEED*

The Brother QL-570 Label Printer can print up to 68 labels* per minute (faster than one per second!).

HIGH QUALITY PRINTING**

Professional high-resolution printing (up to 300 x 600 dpi) captures all the fine details of pictures, logos and graphics.

EASY TO INSTALL

Brother QL-570 Label Printer comes with easy to install label creation software and drivers. Simply place the CD into your PC and follow the user prompts. When requested, connect the Brother QL-570 Label Printer to your PC via the included USB cable. It's that easy!

**ACCEPTS UP TO 62mm
WIDE LABELS**

The Brother QL-570 Label Printer prints on labels up to 62mm wide. This provides flexibility, with a wide range of label and tape rolls to choose from. Print on labels as small as 12mm diameter round labels or as large as our 62mm x 100mm labels.

**DURABLE BUILT-IN
AUTOMATIC CUTTER**

The Brother QL-570 Label Printer also comes with a built-in durable automatic cutter. This allows for labels to be cut at the end of each printed label or the end of the print job ensuring a clean professional finish.

*using standard 4-line address label
**in superfine mode

POWERFUL AND USER-FRIENDLY P-TOUCH® EDITOR V.5 LABEL CREATION SOFTWARE

Create labels using information stored in Microsoft® Word®, Excel® and Outlook®

HIGHLIGHT: select the text from your document.

CLICK: on the add-in button on the toolbar to pull the data into the label creation software.

PRINT: your label right away or edit as desired.

Using the included powerful, yet easy to use, label creation software allows you to get creative and design your own label

3 INPUT LEVELS IN THE LABEL CREATION SOFTWARE:

- 1. SNAP FUNCTION:** Quickest way to print a label with 3 functions available:
 - Screen capture
 - Drag and drop
 - Print text functions
- 2. EXPRESS MODE:** This mode is perfect for the beginner or for creating labels quickly. (shown in picture above)
- 3. PROFESSIONAL MODE:** Create sophisticated label designs in this mode or for the expert label designer.

WIDE RANGE OF HIGH QUALITY SUPPLIES

There is a wide range of cost effective, crisp paper labels for your envelopes, packages, file folders, name badges, files and more. For added durability, use our durable film labels for your CD/DVDs or for creating customized signage on demand. Once printed - it is easy to peel and apply your label.

Die-Cut (Pre-cut) Labels are cut into common label shapes such as address labels, shipping labels, CD/DVD labels and file folder labels.

SALES REPORTS

Continuous Length Tapes allow you to determine the length of the label. Great for creating banners or cost effective signage on demand.
