

MAT AND TABLE TOP CLEANER

Product Code: MTC

PRODUCT DESCRIPTION

Mat and Table Top Cleaner is a highly effective non-flammable cleaner designed to remove insulative layers of dust and dirt from anti-static mats and table tops without damage to the base materials or properties.

PRODUCT USE

In a user-friendly pump spray, **MTC** removes a wide variety of soils quickly and easily without leaving any residues and is safe to use on various substrates.

Use regularly to ensure top performance of ESD mats and table tops.

FEATURES

- Restores surfaces to original performance levels.
- Will not crack or damage anti-static surfaces.
- Leaves no conductive residue.
- Non abrasive, non-flammable.
