

Power Pack Connectors

Series 2525

- Efficient system for high current distribution in backplane applications
- Press-in element for power connection for P.C. boards
- VARIPIN™ press-fit design
- 30A current rating
- Several different connection versions available
- Suitable for circuit boards with .063 (1.6mm) minimum thickness
- Plating: 3.0-6.0µm pure matte tin/2.0-3.0µm Nickel under plate

37 2525 0213 01 001 = M4 thread, with flat tabs, with hardware 1 set per bag

37 2525 0213 02 001 = M4 thread, without tabs, with hardware 1 set per bag

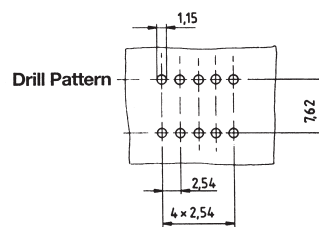

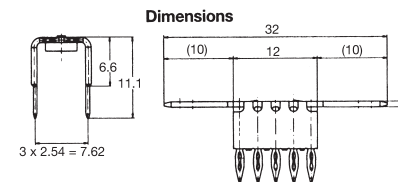

37 2525 0213 03 001 = M4 thread, with 45 degree tabs, with hardware 1 set per bag

37 2525 0213 04 001 = M4 thread, with 90 degree tabs, with hardware 1 set per bag

37 2525 0213 05 001 = M4 thread, with 1 flat tab, with hardware 1 set per bag

37 2525 0213 06 001 = M4 thread, with 1 tab 45 degree, with hardware 1 set per bag

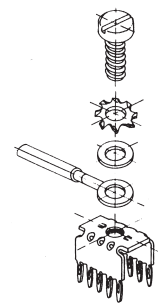

37 2525 0213 07 001 = M4 thread, with 1 tab 90 degree, with hardware 1 set per bag

Drilled Hole 1.5/-0.2mm
Finished Hole: 1.00/+0.09/-0.06mm

Connection

Screw, washer, and keyed washer are included in the 37-set.
