Rubbermaid's MediaMaster™ Audio-Visual Carts make you the star attraction!

Making a presentation requires planning, preparation and having the right A/V equipment. Rubbermaid's MediaMaster™ Audio-Visual Carts can help you put your best foot forward!

- ✓ **Power.** Power is at your fingertips; a 3-prong power strip is integrated with a cord wrap on the top shelf.
- ✓ **Wire Management.** Wires and cables are neatly routed and organized with patent pending wire management details.
- ✓ **Safety.** Safety is paramount with adjustable straps to secure A/V equipment, standard locking casters aid stability.
- ✓ **Maneuverability.** Easy maneuverability is assured with a comfort-grip handle and four swivel casters.
- ✓ **Organization.** MediaMaster™ Audio-Visual Carts keep you organized with available locking cabinets and standard molded-in slot for remotes and pencils.
- ✓ **Appearance.** The sleek combination of high-tech aluminum and commercial grade black molded shelves help you make a great impression in front of an audience.

There is a Size and Configuration for Every Purpose with Eight Models in Three Different Heights.

The 9T29 is the perfect compliment to any meeting or break room when used as a coffee/microwave station or beverage service cart. The convenient electrical outlet allows for easy connection for small appliances. The locking cabinet provides ample storage space for cups, napkins, condiments, coffee, tea and more!

33" Carts

Compact size is ideal for use with overheads, electronic projectors or laptops. Available with locking doors and pull-out drawer to store papers, writing, instruments and pointers. 3" (7.6 cm) diameter non-marking and locking swivel casters provide easy mobility.

42" Carts

Mid size cart is ideal for positioning TV or computer monitor. Different middle shelf positions accommodate VCR's, DVD players, additional hardware and files. 4" (10.2 cm) diameter non-marking and locking swivel casters provide easy mobility.

48" Carts

These full size carts provide ample height to accommodate larger televisions and bigger auditoriums and classrooms. Available in 3 and 4 shelf models to handle a multitude of equipment and supplies. 4" (10.2 cm) diameter non-marking and locking swivel casters aid mobility.

Rubbermaid's MediaMaster™ Audio-Visual Carts Have All You Need.

9T32/3459

User Safety

Adjustable safety strap stabilizes large audio/video equipment.

Durability

Top shelf is reinforced with metal supports. Sturdy aluminum uprights and molded shelves resist dents, rust and chips.

Mobility

Two of the non-marking swivel casters lock to help keep unit in place.

Power Accessibility

Integrated 3-outlet surge-suppressing power strip is UL and CSA listed. Includes cord wrap to keep excess cords off floor.

Power Cord Management

Wires and cables are neatly retained eliminating unsightly tangle.

Storage and Organization

Models with cabinets feature locking doors for added security. Pull out drawers for convenient storage are available for all MediaMaster™ Audio Visual Carts.

3459

Ergonomics

Molded-in handle has ergonomic round grip for easy maneuverability.
