

Professional Scalpels and Blades

The Professional Range of blades and handles are produced with Craft 'Professionals' and enthusiasts in mind. They are used in a variety of different industries from Mold Cutting and Jewellery Manufacture to Printing and Artwork.

No.3, No.5A (1005) and **No.7 (0907)** handles are available for use with the small (No.3) fitment blades.

No.4 and **No.6A (1006)** handles are available for use with the larger (No.4) fitment blades.

No.5A (1005) and **No.6A (1006)** are acrylic handles, with a nickel blade fitting that takes standard surgical blades.
