

tesa® 4100

General purpose carton sealing tape

PRODUCT INFORMATION

Product Description

tesa® 4100 is based on a PVC backing coated with a natural rubber adhesive. Due to its embossed film texture an even and smooth unwinding is guaranteed. Additionally the embossed surface prevents reflection during e.g. barcode reading; therefore the product is perfectly suited to label protection.

The easy unwinding feature encourages the usage of tesa® 4100 in automatic sealing equipment.

The process of cardboard waste recycling will be not disrupted as confirmed by leading recycling companies and paper mills.

Main Application

tesa® 4100 is used for manual and automatic sealing of cartons of medium-range weight.

Technical Data

■ Backing material	PVC film	■ Adhesion to steel	2.2 N/cm
■ Total thickness	65 µm	■ Elongation at break	75 %
■ Type of adhesive	natural rubber	■ Tensile strength	47 N/cm

Properties

■ Automatic application	yes	■ Printability	++
■ Manual application	yes	■ Low noise unwinding	yes

Evaluation across relevant tesa® assortment: ++ very good, + good, o medium, - low
