Furnished under United States Government Contract No. . Shall not be either released outside the Government, or used, duplicated or disclosed in whole or in part for manufacture or procurement, without the written permission of MICRO SWITCH, A Division of Honeywell, except for: (I) emergency repair or overhaul work by or for the Government, where the item or process concerned is not otherwise reasonably available to enable timely performance of the work; or (II) release to a foreign government, as the interests of the United States may require; provided that in either case the release, use, duplication or disclosure hereof shall be marked on any reproduction hereof in whole or in part.
