

Extruded heatsinks for PCB mounting

for semiconductor clip-mounting

	 ... STC ... STIC ... STCB		
art. no.		 [mm]	R _{th} [K/W]
SK 129 25,4 ...	TO 220	25.4	7.8
SK 129 38,1 ...	TO 220	38.1	6.5
SK 129 50,8 ...	TO 220	50.8	5.3
SK 129 63,5 ...	TO 220	63.5	4.5
please indicate: ... mounting method STC =with solder pins STIC =with solder pins and insulating washer STCB=with threaded bolts M 3, brass			

P = raised retaining stud, **E** = mounting method

special lengths and drillings on request

surface treatment: black anodised

for semiconductor screw-mounting

	 ... STS ... STIS ... STSB		
art. no.		 [mm]	R _{th} [K/W]
SK 129 25,4 ...	TO 220/ SOT 32/ TO 3 P	25.4	7.8
SK 129 38,1 ...	TO 220/ SOT 32/ TO 3 P	38.1	6.5
SK 129 50,8 ...	TO 220/ SOT 32/ TO 3 P	50.8	5.3
SK 129 63,5 ...	TO 220/ SOT 32/ TO 3 P	63.5	4.5
please indicate: ... mounting method STS =with solder pins STIS =with solder pins and insulating washer STSB=with threaded bolts M 3, brass			

P = raised retaining stud, **E** = mounting method

special lengths and drillings on request

surface treatment: black anodised
