 Text Search: 'CS28LNU'

Your search criteria matched only one product, shown below

CS28LNU

- Inset frame posts create large and accessible vertical pathways for routing cables and mounting vertical patch panels and power outlet units
- Include vertical blanking panels to block bypass air and direct cold air through servers
- Modular cable management finger sections manage cables for greater routing flexibility
- Innovative, fully integrated, electrically bonded cabinet with a single ground connection to guard against ESD, and provide a safe current path to ground
- All welded frame construction
- Adjustable rear cage nut mounting rails
- Doors include keyed swing latches
- Side panels include keyed push button latches
- Equipment mounting depths up to 29" (736.6mm)
- Durable black polyester epoxy powder coat finish
- UL Listed 2500 lbs. (1134 kg) load rating
- Cabinet ships assembled, one per pallet

- For the complete grounding solution, see the StructuredGround™ Kits for Cabinets

▪ Part Number	CS28LNU
