Olympic P/N 6321E, TPE Jacket Coiled Cords, SVEO, SJEOW, SEOW

TPE Jacket Coiled Cords, SVEO, SJEOW, SEOW

Retracted Lengths 1, 2 & 4 Feet - Extended Lengths 5, 10 & 20 Feet

Long-lasting service is assured with this quality multiconductor power cord. Each conductor is stranded copper, with TPE insulation, and a rugged weather and oil resistant TPE jacket overall.

Application:

Used on electric tools, portable drills, soldering irons, electrical appliances, household appliances, etc., to eliminate loose hanging wires and to prevent wires from tangling and twisting.

SPECIFICATIONS

Conductor Size	16 AWG
