

# 10W LED Flood Light with PIR Sensor

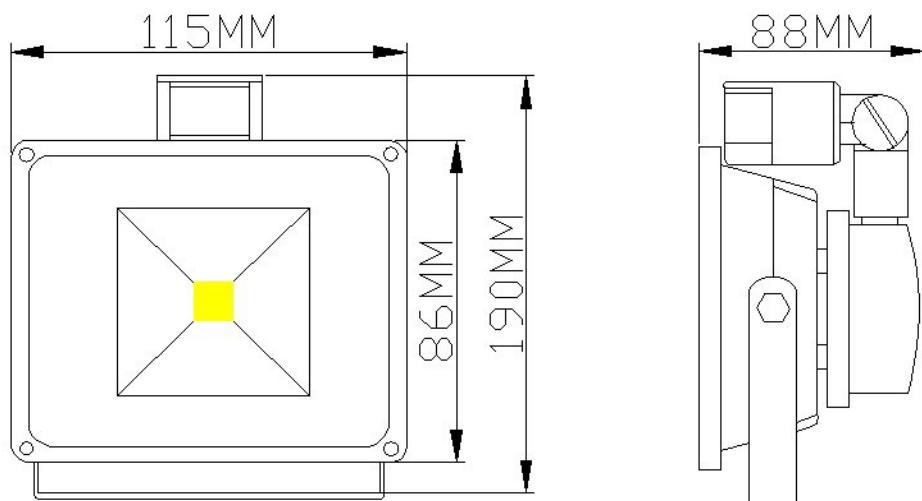

## Specifications:

Commodity	10W LED Flood Light with PIR Sensor
Input Voltage	AC85-265V
Frequency Range	50~60Hz
Power Factor (PF)	>0.9
Lamp's Efficiency (%)	> 90%
Colour	White
Colour Temperature	2700-3500K/6000-6500K
Power	10W
Lumens	800-900LM
Type of LED	Epistar
Beam Angle	60°/ 120°
Color Index(CRI)	Ra > 80
Working Temperature	(-30 °C) ~ ( 45 °C)
Working Humidity	10%~90%
IP Rating	IP65
Working Life	50000 hrs

**Dimensions:**

**Applications:**

Widely used in applications such as security lighting, commercial lighting, residential lighting, spot lighting, garden/patio lighting, car parks, walkways and wallwash lighting.
