

# Midi-Contactors

## Accessories

### Mechanical/Electrical interlocks

for reversing contactors  
for motor control  
To be assembled by customer

|                                                |                          |        |                                    |        |  |  |
|                                                |                          |        |                                    |        |  |  |
|                                                |                          |        |                                    |        |  |  |

- Note :**
- Component parts for assembling by customer
  - Mechanical interlock with 2NC contacts for electrical interlocking
  - GUR02 provides both mechanical and electrical interlocks
