

Item # MC2100, W Type Wire Ferrule on Reels

W Type Wire Ferrule on Reels

Technical Information

Apart from giving a high quality appearance, ferrules also ensure the reliability of the connection and installation.

Advantages of wire ferrules:

- Easy insertion of wire into terminal
- Prevents flare out of stripped, stranded wire
- Improved connection reliability

Wire ferrules with plastic insulating collars:

- Simple identification of the circuit and voltage based on the color of the insulated collar
- Additional insulation helps to isolate and protect against unwanted contact with electrical circuits

For use with Crimp-Max MC 25 Automatic Ferrule Stripping and Crimping Machine.

SPECIFICATIONS

Size	1.00 mm <sup>2</sup>
Length	8 mm
Color	 Yellow
Pieces Per Box	1000
