Packaging	100 gloves per dispenser, 1,000 gloves per case		

LATEX UNSUPPORTED GLOVES

CHEMISOFT

White thin wall Nitrile rubber disposable gloves. They are powder free and have textured finger tips to provide extra grip in wet or dry conditions. The gloves are low in extractables and particulates. They offer the stretch and flexibility of natural rubber, but provide the solvent and chemical resistance of Nitrile rubber. Thickness is 0.10 mm.

Also available as cleanroom version
