### **COMPUTER CARE DRY WIPES**

### **CLEANS AND DRIES ALL HARD AND DELICATE SURFACES**

High quality, low lint wipes designed for cleaning and drying screens, monitors, printers, processors and all types of electronic office equipment.

Tear resistant and low lint properties makes them perfect for use on delicate surfaces. Ideal for use with Servisol Computer Care Foam Cleaner and Screen Cleaner.

#### **Features**

- Highly absorbent, soft, low-lint material
- Good wet strength – does not disintegrate in use
- Can be used on a wide variety of surfaces including glass, plastics, metals, LCD, TFT and Filter Screens
- 25 wipes (170mm x 170mm) supplied in resealable plastic bag
