

ProfiPlus Box

Storage bins of industrial-use quality

High load capacity and durability are the outstanding features of this storage bin system. Practical accessories, such as bin dividers, carrying rods as well as labels allow a variable and versatile use of this system.

- + High-impact resistant polypropylene
- + High load-carrying capacity due to a robust form design
- + Resistant to grease, oil, resin, alkaline solutions etc.
- + Temperature-resistant from -30° to +90° C
- + Food-approved colours free of heavy metal
- + Smooth bottom, suitable for conveyor belts
- + Available in 7 sizes and 5 colours each
- + 100 % recyclable
