

# Screw Cap / Fuseholder

## 20 x 5 mm Panel Mount

### Features:

- Finger release
- Low profile panel mounting
- Screw driver release, screw carrier
- Combined solder / 2.8 mm quick connect terminal
- Anti-rotation D fixing
- IEC 127-6
- Industry standard
- Competitive

Dimensions: Millimetres

### Specifications:

|                       |                                       |
|-----------------------|---------------------------------------|
| Rating                | : 6.3 A / 250 V                       |
| Contacts / Resistance | : Tinned nickel plated brass / < 5 mΩ |
| Material              | : PBT                                 |
| Dielectric strength   | : > 3 kV / 60 s                       |
| Insulation resistance | : > 100 MΩ                            |
| Power dissipation     | : 2.5 W                               |
| Approvals             | : SEMKO, CSA and VDE                  |

### Part Number Table

| Description            | Part Number |
|------------------------|-------------|
| Fuse Holder, Screw Cap | MCHTC-35M   |
