Lochbild 900 S RZ 32

Lochbild 925 S RZ 37,2

Technical drawing of the 900 Si RZ valve. The drawing includes a front view on the left and a side view on the right. The front view shows a square body with four bolt holes, a central handle, and a threaded stem. Dimensions for the front view include a total width of 18, a distance of 13 from the left edge to the center of the handle, a distance of 5.3 from the center of the handle to the center of the stem, a distance of 4.7 from the center of the stem to the right edge, a distance of 14.5 from the left edge to the center of the stem, and a total height of 22.5. The side view shows the internal components, including the handle, stem, and valve seat. Dimensions for the side view include a total width of 34 and a distance of 11.4 from the left edge to the center of the handle. The material is specified as 900 Si RZ.

Technical drawing of a 4-way valve assembly, showing front and side views with dimensions in mm.

Front View (Left):

- Overall width: 18 mm
- Overall height: 22.5 mm
- Port diameter: 5.3 mm
- Port spacing: 4.7 mm
- Internal feature dimension: 7 mm
- Bottom flange width: 14.5 mm

Side View (Right):

- Overall length: 34 mm
- Port diameter: 11.4 mm
- Material: 900 Si RZ
