

Azlon

Beakers

Beakers, Graduated, Polypropylene

These straight sided beakers in the Azlon 'square' design are ideal for general laboratory use.

They comply with BS5404 : Part 1 : 1976 although some size are extra to the standard range.

They have good chemical resistance and withstand temperatures up to 135°C. Graduations and an indication of material and maximum heat resistance are clearly printed using indelible solvent resistant ink.

Can also be supplied without printing or printed with your own name and logo.
