

A range of leads featuring high quality, low noise Gotham microphone cable. The double lap screened cable is ideally suited to studio applications due to its construction, each lap screen being wound in opposite directions. This feature provides unsurpassed noise rejection yet still maintains a high degree of flexibility.

3 way Free Plug as per  
 Product Specification 701-709-705-713  
 3 way Free Socket as per  
 Product Specification 700-708-704-712
