3M™ Solderless Breadboard Red - 306 (922306)

306 Solderless Breadboard Red, 300 Series

GTIN(UPC/EAN) : 0 00 51138 27788 8
3M Id : 80-6103-6262-8

Characteristics

EU RoHS Compliant	Yes
-------------------	-----

Solderless Breadboards, 300 Series

For easy, solderless plug-in circuit building.

Additional Information

Terminal positions contain electrically connected tie-points spaced on a continuous .100" matrix to accept any component with .100" lead spacing. Five-way binding posts provide interface for connections from the power supply, signal generators or other equipment. Steel base has baked enamel finish. Rubber feet prevent sliding during benchwork. Jumper wires are included.
