

Gold Series PC Monitor Extension Cable

This new range of Gold Series SVGA cable provides excellent value for money. Fully moulded in design, it features low voltage 75 ohm coax cable as well as high quality gold plated connectors. The cable represents low loss assembly designed for both short and longer distance monitor cabling requirements.

Features:

- Fully moulded, gold plated
- Manufactured using high quality, foil & braid 3 core 75 ohm coax cable (with 4 x 26 AWG twisted pair) as well as gold plated connectors
- Low voltage, foil & braid screen cable
- Suitable for most SVGA
