

This diagram shows the exploded view of the front cover assembly. The components are arranged vertically, with a dashed line indicating the assembly path. The parts are labeled as follows:

- 37**: A small, cylindrical component with a flange, located at the top of the assembly.
- 38**: A circular flange with a central hole, located below the small component.
- 39**: A circular flange with a central hole, located below the circular flange.

This exploded view diagram illustrates the assembly of a mechanical device. The components are identified by numbered callouts (1-73) and are shown in their relative positions for assembly. Key assembly points are labeled A, B, and C.

- Point A:** Located at the top center, showing the assembly of the main housing (44) with various fasteners (1, 11, 12, 17, 20, 21, 23, 26, 27, 31, 32, 33, 34, 41, 45, 50, 51, 52, 53, 54, 56, 59, 60, 61, 63, 65, 66, 67, 69, 70, 73).
- Point B:** Located in the middle left, showing the assembly of the main housing (44) with the main body (46) and various fasteners (1, 11, 12, 17, 20, 21, 23, 26, 27, 31, 32, 33, 34, 41, 45, 50, 51, 52, 53, 54, 56, 59, 60, 61, 63, 65, 66, 67, 69, 70, 73).
- Point C:** Located at the bottom left, showing the assembly of the main housing (44) with the main body (46) and various fasteners (1, 11, 12, 17, 20, 21, 23, 26, 27, 31, 32, 33, 34, 41, 45, 50, 51, 52, 53, 54, 56, 59, 60, 61, 63, 65, 66, 67, 69, 70, 73).

The diagram includes a central exploded view of the main housing (44) and the main body (46), showing the internal components and their assembly sequence. The components are shown in their relative positions for assembly, with arrows indicating the direction of assembly.
