

DT661 and DT663 Desktop Calculators

A choice of two multifunction desktop calculators with durable solid metal fascias. Functionally they are the same, the **DT661** being slightly smaller making it more suitable for handheld use, the display on this model is also a fixed angle. The **DT663** is larger with an adjustable display making it more suitable for desktop use.

- 12 digit large easy view LCD display - Fixed angle on the DT661 and adjustable on the DT663
- **Cost-sell-margin function** - Calculates any variation, allows you to view all 3 parts of your final answer
- **Programmable currency conversion** - For use with any currency including Euro
- Programmable one-touch tax feature - Ideal for adding or subtracting VAT
- Auto-on when you press any key
- 3 key memory
- ± change sign, double zero (00), square root and % keys
- Backspace correction
- Solar powered with battery back-up
- Auto power off
- Metal/plastic case, hard plastic keys
- DT661 dimensions (HxWxD): 23x101x150mm
- DT663 dimensions (HxWxD): 20x110x172mm
- Battery: 1 x GP189 (LR1130) (supplied)
