\*Power inlet. †Power outlet.

ProFi® — Professional “RCA” Connector

- All Metal Design, Machined Brass, Black Coated Shell
- Easy Assembly and Soldering (Large Soldering Area, Rapid-Flow Plating)
- High-Grade Plastic Insulator with High Creep Resistance
- Spring Loaded Ground Contact: Retractable Element with Separate Wedge Contacts Which Keep the Shell in the Front Position When Engaged

Contacts for line, neutral, and premating safety grounds and are designed to prevent damage from arcing when disconnected while under load. Rated at 20 A/250 VAC. Different keying avoids intermating errors. POWERCON IS NOT DESIGNED TO BE A “MAINS” CONNECTOR.
