

Stay sharp with Scotch™ Scissors

Every pair of Scotch™ scissors is individually hand tested to ensure that they are of the finest quality and deliver maximum performance.

**Titanium-fused
Blades**
that stay sharp beyond
100,000 cuts

Scotch™

Titanium Scissors

Scotch™ Titanium are the ultimate scissors for professional use with an extremely smooth cutting action and the finest precision and sharpness.

- Titanium-fused blades are 5x harder than quality stainless steel – sharp beyond 100,000 cuts
- Non-stick blades – no more sticky build-up on blades
- Lifetime smooth cutting action
- Soft comfort grip handle for ease of use
- Ideal for most uses such as card, paper, photos, fabric etc.
- For right or left handed use
- Tension adjustable screw for optimised usage
