Your search criteria matched only one product, shown below

## MS24B

- Complete enclosure requires base and cover or door; basic enclosure includes base and screw down cover; advanced enclosure base can be used with framed hinged door or frameless hinged door to allow custom configuration
- 1" grid pattern in base provides mounting and flexibility for the hubs
- Multiple 2.5" knockouts at top and bottom for cable entry and exit
- Includes two single gang power knockouts
- Cantilever mounting slots flex to accommodate misaligned studs
- Shear forms along sidewalls to help route and secure cable in place
- Drywall positioning slots
- Dual hinged doors allows doors to open to the left or to the right
- Hinged doors allow easy access to components; keyed locks keep components secure and prevent tampering
- Hinged door overlaps base to cover any wall imperfections; framed hinged door covers imperfections even when opened
