Easy-to-use dispenser with pre-printed non-smear tapes

3M™ ScotchCode™ Tape Dispenser system is compact to fit in your pocket, tool box, or hang on your tool pouch or belt. Rugged construction withstands day-to-day tool box abuse. Single lightweight unit provides clean storage of ten 8' rolls of 3M tape. Hinged covers let you readily grab the ends of individual rolls and tear off precise lengths. Use only as much as you need. Refilling rolls is fast and convenient.

Non-smear polyester tape with high-grip acrylic adhesive resists flagging, solvents, oil, and water. Pre-printed with sharp, easy-to-read numbers 0-9, the tape surface wipes clean of grime for legibility even after extended use.
