

31mm Stand-Off Bundling Clips

31mm Stand-Off Bundling Clips

HellermannTyton's Stand -Off Bundling Clips provide a 31mm separation between the mounting hole and wire harness. They are available in two types for single or double bundle applications. The fir tree mount has a very low insertion force and very high extraction force.

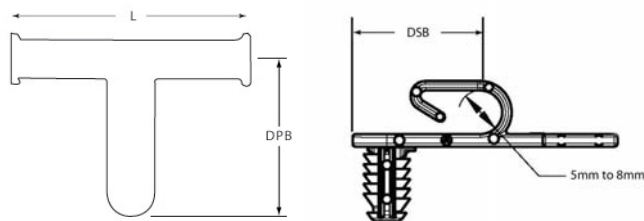

Product Features

- Unique fir tree design provides one of the lowest push-in forces in the industry.
- Anti-sliding bars prevent the tape or cable tie from sliding off the clip if the bundle is pulled away from the hole.
- Two offerings: one for single bundle applications and the other for double bundle applications.
- The fir tree mount allows for a wide range of panel thicknesses.
- PA66HIRHS material is resilient to high temperature / high impact applications.

Applications

- Automotive Wire Harnesses
- Truck and Heavy Duty Equipment Wire Harnesses
- White Goods Equipment Wire Harnesses

Material Data	
Material	PA66HIRHS
Color	Black
Operating Temperature	-40°F (-40°C) to +230°F (110°C) Continuous

RoHS

HF
