

# Subracks – *europac* **PRO** Kits

Kit, unshielded, 'heavy', for backplane mounting

Without front handle

with front handle

6 U

D=overall depth, D1=insertion depth,  
D2=board depth = D1 - 15 mm

Rear horizontal rail for backplane mounting with insulation strip

- Subrack with side panel type H ("heavy"), 19" bracket is fixed to side panel (tox-cold welded)
- Rear horizontal rail for backplane mounting with insulation strip
- Tested to German railway standard BN 411002, BN 411003
- Versions with/without front handles

**NEW**

## Delivery comprises (Kit)

| Item | Qty | 3 U | 6 U | Description                                                                                                   |
|------|-----|-----|-----|---------------------------------------------------------------------------------------------------------------|
| 1    | 2   | 2   |     | Side panel type H, Al, 2 mm, passivated, with 19" support bracket (tox-cold welded) for EMC sealing (textile) |
| 2a   | 2   | 2   |     | Front horizontal rail (H-KD)                                                                                  |
| 2b   | 2   | 2   |     | Rear horizontal rail (H-ST)                                                                                   |
| 2c   | -   | 1   |     | Rear horizontal rail centre (H-ST)                                                                            |
| 3    | 4   | 6   |     | Threaded inserts, front and rear (pre-fitted)                                                                 |
| 4    | 2   | 4   |     | Insulation strip (pre-fitted)                                                                                 |
| 5    | 1   | 1   |     | Fixing materials kit, user manual                                                                             |
| 6    | 2   | 2   |     | Front handle (on version with front handle only)                                                              |

## Order Information
