## Technical data

### General

|                                  |        |
|----------------------------------|--------|
| Rated current                    | 20 A   |
| Rated voltage                    | 400 V  |
| Rated impulse voltage            | 4 kV   |
| Pollution degree                 | 2      |
| Mechanical coding                | Code 1 |
| Interlockable                    | Yes    |
| Color of coding/ contact carrier | Black  |
| Marking of poles                 |        |

### Model

|                           |                             |
|---------------------------|-----------------------------|
| Number of poles           | 5                           |
| Number of poles 2         | 3                           |
| Number of inputs          | 1                           |
| Number of outputs         | 3                           |
| Type of fastening         | No                          |
| Degree of protection (IP) | IP40                        |
| Type of distributor       | Distribution terminal block |

### Material

|                  |           |
|------------------|-----------|
| Housing material | Polyamide |
| Halogen free     | Yes       |
| Contact material | CuZn      |

|                                              |               |
|----------------------------------------------|---------------|
| Insulation components continuous temperature | 100 °C        |
| Surface finish                               | Silver-plated |

## Dimensions

|        |       |
