

Figure 1: Dimensions of the 1000 Series PCB. The figure consists of six drawings showing the top, side, and bottom views of the PCB with various dimensions in millimeters and inches. The top view shows a rectangular board with two circular components. The side view shows the board's profile with a screw hole. The bottom view shows the component layout with dimensions for (5), (8), (10), and (12) places. Dimensions are provided in millimeters [] and inches (). A note at the bottom states "DIMENSIONS ARE FOR REFERENCE ONLY".
