Small Flashlights

#1980, PELIKNIFE COMBO

Includes a Super Mitylite™ with batteries, a lock back pocket knife and a stainless steel split ring. The pocket knife has 1-7/8" (4.7 cm) hollow ground stainless steel blade, a lightweight composite handle and a key chain ring. The container is a very stylish and attractive case that could be used for many applications and the contents are our hi-performance flashlight combined with interesting accessories. You break it, we replace it... forever.

#1970, SUPER MITYLITE™

Super Mitylite™ is made of unbreakable space age Xenoy® resin with a removable shroud and a shirt clip. Its laser spot Xenon lamp module can cut through water, smoke, fog, and rain making it a perfect light source for all applications. Accidental turn on and mechanical switch failure is eliminated because of the rotary on/off switch. Submersible to 500 feet (150 meters). It includes 2-AAA cell alkaline batteries and a Lite bender. You break it, we replace it... forever.
