

Deb® Protect Universal

An 'extra protection' pre-work skin cream for wet and dry work.

Features & Benefits

Ointment Based - Quickly absorbs into the skin, leaving a non-greasy after feel.

Contains Xanthan Gum - A highly effective film forming agent: Helps the skin to repel aqueous based substances.

Contains Kaolin - 'Fills-in' skin pores, helps prevent ingress by oil based substances.

Contains Dicaprylyl Carbonate - An excellent 'dry-feel' emollient which helps prevent greasy skin.

Contains Glycerine - A highly effective humectant to moisturise the skin and helps prevent dryness

Mild, Neutral pH Formula - Compatible with the skin's natural pH level, reducing the risk of any possible irritation and is suitable for sensitive skin.

Unperfumed - Suitable for men and women, provides maximum user acceptability.

Regulatory Compliance - Complies with Directive 76/768/EEC. Not tested on animals.

Dermatologically Tested - Using the industry recognised "48hr human patch testing for primary skin irritation" method to prove it is non-irritant.

Glove Compatible - Can be used under natural rubber (latex) and nitrile gloves. Helps protect skin condition for regular glove wearers.

Tested for Compatibility with Latex and Nitrile Gloves - Using BS EN 455-2:2000 for tensile properties and BS EN 455-1:2000 for freedom from holes.

Silicone Free - Compatible for use with paints and surface coatings, ideal for use in paintshops.
