

## CushTop - Chocolate with Tourmaline

The CushTop provides increased padded comfort when using your laptop on your couch, bed or floor. A convenient storage pocket keeps your power adapter and mouse tucked away. By flipping its platform over, the CushTop can accommodate small or large laptops.

### Benefits

---

- Protect your lap from a hot laptop
- Uniquely designed for comfortable laptop use on the couch, bed or floor
- Made of high-quality, furniture like upholstery
- Convenient storage pocket for your power supply and mouse
