

CONNECTORS

Technical drawing of a cable gland (Kabeltülle). The left view is a cross-section showing a circular profile with a central hole and a diameter of 17,2. The right view is a side view showing the conical shape of the gland. Dimensions include a total length of 57,5, a base diameter of 31,5, and a top diameter of 10. A label 'Kabeltülle' points to the conical part.
