**RoHS  
Compliant**

## Specifications:

|                                    |                               |
|------------------------------------|-------------------------------|
| Connector Type                     | : Ring Tongue                 |
| Termination Method                 | : Crimp                       |
| Material                           | : Alloy Steel, Nickel Plating |
| Voltage Rating                     | : 600V                        |
| Continuous Operating Temperature   | : 900°F (482°C)               |
| Intermittent Operating Temperature | : 1,200°F (649°C)             |
| To be Free of Burrs                |                               |
