Your search criteria matched only one product, shown below

## QPPCCWBW07

- Facilitate quick and easy connection and disconnection of multiple patch cords, simultaneously to a variety of switches, reducing time and cost associated when installing and maintaining structured cabling links
- Exceed requirements of ANSI/TIA-568-C.2 Category 6, IEEE 802.3an-2006, and ISO 11801 Class E channel standards
- Exceed requirements of ANSI/TIA-568-C.2 Category 6A and IEC 61156-5 Category 6 component standards
- Constructed of Category 6, 24 AWG UTP stranded cable and TX6™ PLUS Modular Plugs
- Plug meets all applicable ANSI/TIA-968-A requirements and exceeds IEC 60603-7 specifications
- Meet requirements of IEEE 802.3af and IEEE 802.3at for PoE applications
- Each patch cord is 100% performance tested and wired T568B
- Third party tested to Category 6 component compliance
- Integrated finger latch enables quick, one-handed installation and removal from switch
- Low profile design allows assemblies to be installed side by side or stacked on top of each other providing maximum port density in high density installations
- Marker ties enable easy identification in high density installations and provides an additional level of security when used with optional lock out device
- Labels on patch cords provide identification of performance level, length and quality control number
- Optional removal tool (QPRT) facilitates removal of individual links without disrupting service to other network connections
- Optional lock in device (QPPLD6-X or QPPLD8-X) prevents unauthorized removal of patch cords from the switch for an additional level of security
- Cable available in blue or white; plug packs available in blue or white

|                                |                                                                                                                                                       |
|--------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| ▪ Part Number                  | QPPCCWBW07                                                                                                                                            |
| ▪ RoHS Compliancy Status       | RoHS directive is not applicable                                                                                                                      |
| ▪ Note                         | Intended for use in fixed installations which are outside the scope of RoHS                                                                           |
| ▪ Part Description             | QuickNet® Plug Pack Cable Assembly made with Category 6, CM white cable with a 12-pack white plug pack on one end and modular plugs on the other end. |
| ▪ Product Type                 | Plug Pack Assembly                                                                                                                                    |
| ▪ Color                        | White Plug Pack                                                                                                                                       |
| ▪ Length (ft.)                 | 7                                                                                                                                                     |
| ▪ Length (m)                   | 2.13                                                                                                                                                  |
| ▪ Cable Color                  | White                                                                                                                                                 |
| ▪ Cable Type                   | UTP                                                                                                                                                   |
| ▪ CE Compliant                 | No                                                                                                                                                    |
| ▪ Flammability Rating          | CM                                                                                                                                                    |
| ▪ Performance Level            | Category 6                                                                                                                                            |
| ▪ Pricing Description          | QN Plug Pack Assembly, 12 Pack, White Cat 6 UTP CM Cable w/White Plug Pack, 7 Feet                                                                    |
| ▪ Termination End 1            | Modular Plugs                                                                                                                                         |
| ▪ Termination End 2            | Plug Pack with Modular Plugs                                                                                                                          |
