

## Touch International's Product Line

### Touch International Resistive Controllers & Cables Chart

The following table outlines our new controller model numbers and each controller's availability date. Please note that our numbering convention was designed to be both easy to use, and to act as a cables check to ensure that you have the correct cabling.

All of our standard resistive sensors use the same form factor of 2.73" L x 1.3" W. If you require a small form factor, please contact our [Sales Department](#).

#### Standard Controllers

##### Resistive TI Universal Controller Series - 2.73" L x 1.3" W

Part #	Graphic	Description	Screen Type	Comm Type	Required Cables ***must order separately
48-B-D-01		Res. Universal Controller v.5.9	4,5,8 wire	RS232**	1300201 (Com. Cable), 1300203 (PS2 power connector), or 1300228 (power cable, 2 wire)
48-B-D-01		Res. Universal Controller v.11.8	4,5,8 wire	USB	1300200

##### Resistive 5-Wire TI-DMC Controller Series - 1.6" L x 1.2" W

Part #	Graphic	Description	Screen Type	Comm Type	Required Cables ***must order separately
48-B-4-03 (Serial)		Res. Controller 4-wire zip Connector RS232	4-wire	RS232**	1300211 (power cable) & 1300233 (control cable)

48-B-4-04 (USB)		Res. Controller 4-wire zip Connector USB	4-wire	RS232**	1300212 (com./power)
48-B-4-05 (Serial)		Res. Controller with Eprom 4-wire zip Connector RS232	4-wire	RS232**	1300211 (pow cable) & 1300233(corr cable)
48-B-4-06 (USB)		Res. Controller with Eprom 4-wire zip Connector USB	4-wire	RS232**	1300212 (com./power)
48-B-5-04		Res. Controller 5-wire RS232	5-wire	RS232**	1300233 (pow cable) & 1300235(corr cable)
48-B-5-05		Res. Controller with Eprom 5-wire RS232	5-wire	RS232**	1300233 (pow Cable) & 1300235(corr cable)
48-B-5-06		Res. Controller 5-wire USB	5-wire	USB	1300212 (com./power)
48-B-5-07		Res. Controller with Eprom 5-wire USB	5-wire	USB	1300212 (com./power)

#### Resistive Universal Controller Cables

RS232, Serial Cable		Part# 1300201
Power Cable; (2 positions)		Part# 1300228
PS2 Power Cable		Part# 1300203
USB Cable		Part# 1300200

**Resistive 5-wire TI-DMC Controller Cables**

RS232, Serial Cable		Part# 1300235
Power Cable; (2 positions)		Part# 1300233
USB Cable		Part# 1300212
