

## Safe-Ty™

### SF175-50X-100

Low profile in-line tie ideal for use where precision bundling is required and clearance is a necessity. UV-resistant version, especially recommended for outdoor applications.

**T&B Catalog Number:** SF175-50X-100

**EAN Number:** 05414363160861

**UPC Number:** 78621099668

**Description:** All-plastic, low profile in line cable tie, 201 x 4.7 mm, black Polyamide 6.6 UV-resistant

#### Technical Information

|                     |                            |
|---------------------|----------------------------|
| Type                | low profile in line        |
| Material            | Polyamide 6.6 UV-resistant |
| Temperature Range   | -40°C to +85°C             |
| Flammability Rating | UL 94 V-2                  |
| Colour              | black                      |
| Halogen free        | yes                        |
| Silicone free       | yes                        |
| UV-resistant        | yes                        |

#### Ordering Information

|                           |  |
|---------------------------|--|
| Length (mm)               | 201  |
| Width (mm)                | 4.7  |
| D (mm)                    | 4.5  |
| Max. Bundle Diameter (mm) | 44.5   |
| Min. Bundle Diameter (mm) | 4.7  |
| Min. Tensile Strength (N) | 220  |
| Quantity (pieces)         | 100  |
| Packaging Type            | bag  |
| Storage Conditions        | Nylon (Polyamide) is inherently susceptible to environmental conditions. Polyamide 6.6 cable ties are moisturised to optimum performance levels at machine-side and should be stored in cool dry areas out of direct sunlight. Cable ties are packaged in plastic bags to contain moisture and should remain sealed until ready for use. |
