

DVI-I to DVI-D Dual Link Video Cable Adapter (F/M)

MODEL NUMBER: **P118-000**

Highlights

- Converts a DVI-I Male connector into a DVI-D Male connector

Applications

- Connecting DVI-D and DVI-I cables together

Package Includes

- DVI-D Male to DVI-I Female adapter

Description

Tripp Lites DVI-D Male to DVI-I Female adapter allows you to join two different DVI digital cables together. These fully molded adapters are compact in size and are very useful in dealing with difficult interconnection problems. It will not pass VGA analog signals (for digital signaling use only).

Features

- Converts a DVI-I Male connector to a DVI-D Male connector
- Adapter is fully molded for long life use
- Pins are gold-plated to minimize signal loss
- Allows interconnection of two DVI devices
